

GREEN HAVEN FAMILY ADVOCATES

Green Haven Family Advocates is a grassroots organization founded in 1982, originally as a safe house for battered women and their children. Over the 30 years we have been in operation, our organization has evolved, but we still hold true the mission of our founders, helping the victims of domestic and family violence in Green County. We are a trusted and respected member of the communities we serve and are members of the Monroe and New Glarus Chamber of Commerce, as well a member of End Violence Wisconsin (The Wisconsin Coalition Against Domestic Violence).
