Eligibility Requirements and Rules for Use of Leased Horses

- A "Leased" horse is defined as any horse that is not owned by the 4-H'er or his/her immediate family (parents, siblings, grandparents or guardians). Horses owned by distant family—aunts, uncles or cousins—are considered leased horses.
- A 4-H/FFA member can only lease **one** project horse. All other horses must be owned by the exhibitor and/ or immediate family.
- The **objective** of a leased horse project is to allow 4-H'ers that do not own a horse to have the opportunity to learn the skills of feeding, management, care, and training of horses. Through this experience they also learn the skills of decision-making, information gathering, communication, responsibility, and self-confidence.
- All horses, including leased horses, must be identified on the Green County 4-H Picture Identification Form and turn into the UWEX office by **May 1** along with other required paperwork.
- Exhibitors must agree and meet all requirements stated on the contract agreement form of the Green County Horse/Pony project.
- Animals identified as part of a 4-H project **cannot** also be identified or exhibited as an FFA project or vice versa.
- The 4-H'er agrees to make all reasonable efforts to keep the horse in safe stalls, pastures, or corrals, and to care for the horse as if he or she was the legal owner. The 4-H'er has the right to ride and exhibit this horse in all 4-H related activities.
- The 4-H'er is expected to manage and care for this horse at least from May 1 through the end of the exhibiting season (county fair).
- Green County 4-H reserves the right to disqualify leased horses of owners who have previously violated 4-H rules.
