
Green County Leaders 2020-2021
A Year of Adaptability

Purpose of Green County Leaders

Green County Leaders (GCL) is an educational program where individuals practice leadership skills, deepen their understanding of community issues, and prepare for leadership roles. This creates a network of active and visionary individuals who leverage their experience and expertise to benefit their community and local community-based organizations.

About the 2020-2021 Green County Leaders Year of Adaptability

There is no financial cost to join any session for the 2020-2021 year. The 2020-2021 Green County Leaders Year of Adaptability is a light version of the program. It is open to anyone who lives or works in Green County. It is not the full experience -- it is our version of keeping people together with timely and thought-provoking topics. If you enjoy some or all of these sessions, we encourage you to apply for the 2021-2022 class.

How to Register

Participants must register prior to the session. You can register for any of the sessions by [clicking on this link](#). After registering, you will receive a confirmation email containing information about joining the meeting.

Participants can join by calling in, accessing Zoom on their phone with or without a camera/video, using a computer without a camera, and/or using a computer with a camera.

Even if you cannot join that session, if you are interested in the topic you can sign up for the topic. You will get a follow-up email when the session is posted online. Sessions will be posted a week after the session.
