

Scavenger Hunt

Carver-Roehl Park
Clinton, WI

Download or print this handout to take with you when you visit. Take your road trip. Post or email the required selfie. When posting, use these hashtags: **#4HRoadTripChallenge**. Then, upload your scavenger hunt answers to the "Participation Report" URL on the Green County 4-H Road Trip Challenge website.

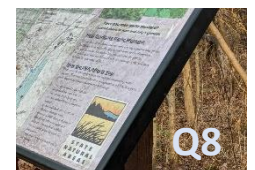

Take the driveway into the park to the turn-around at the end. There you will find a picnic shelter and playground. Start your scavenger hunt there.

- 1) What sizeable natural structures border the edge of the turn-around?
- 2) How many grills are located in the area next to the picnic shelter?
- 3) Where is the insect shown located in the park? Be specific.
- 4) What is this a close-up view a picture of?
- 5) What vintage piece of park equipment is this a picture of?
- 6) What is the purpose of this cement structure?
- 7) How many total steps are in this staircase? Where does it lead?

Either drive or walk back towards the entrance OR take the trail to the left from the staircase. The trail crosses the driveway at the park entrance.

- 8) Find the informational display at the park entrance (pictured). What FOUR kinds of trees are most prevalent in this park?
- 9) Cross the rust-colored bridge (pictured). How many boards make up the visible portion of the bridge floor?
- 10) Just over the bridge is a limestone cliff that hovers over Spring Brook Creek. What surprises you about this cliff?

Complete the "Participation Report" for this scavenger hunt **no later than March 5.**
