

# Scavenger Hunt

Price Park Conservancy  
Elkhorn, WI

*Download or print this handout to take with you when you visit. Take your road trip. Post or email the required selfie. When posting, use these hashtags: #4HRoadTripChallenge. Then, upload your scavenger hunt answers to the "Participation Report" URL on the Green County 4-H Road Trip Challenge website.*

- 1) List at least two different ecosystems you can see from the parking lot. Can you see more than two?
- 2) What's the official name of the caged area located just inside the park entrance? (*Hint: Check the park info center.*)
- 3) What does the "CAUTION" sign in the park info center warn about?
- 4) How many vertical posts support the park shelter roof?

***Take the trail at the Mathilde Schreiner Woods entrance. Keep left as you proceed down this path.***

- 5) How many big rocks cross the trail path at the entrance?
- 6) What do you notice about the trees on this path?
- 7) Stop by the first bench on the right side of the trail. What large natural structure is behind it?
- 8) There's a path to the immediate left. Where does it appear to lead? To what winding natural feature?

***Continue on the main trail. After passing Marker #1, take the uphill path to the right.***

- 9) Find the informational display at the top of the path. What long-legged bird is identified as an "Animal of the Prairie?"

***Follow the green loop trail to the right past marker #2. There you'll find a clearing.***

- 10) Sit on the bench, and notice the trees in the center of the clearing. What is DIFFERENT about the one in the middle?

Complete the "Participation Report" for this scavenger hunt **no later than March 5.**
