

Wisconsin Beef Special Edition

Join us for our **free webinar series!** UW-Madison Extension Cow/Calf Days and Wisconsin Feeder Workshops will be combined to create the **Wisconsin Beef Special Edition Webinar Series**. Join your local Extension Livestock Program Educators, UW Outreach Specialist, and esteemed keynote speakers as they present current topics on beef production.

A different topic will be presented at each **Tuesday evening** session. Take the opportunity to learn from and discuss with experts on the following date or listen to the recording when it works best for you (registration required).

Register and mark your calendars!

| | |
