

Scavenger Hunt

Yellowstone Lake State Park
Blanchardville, WI

Download or print this handout to take with you when you visit. Take your road trip. Post or email the required selfie. When posting, use this hashtag: **#4HRoadTripChallenge**. Then, upload your scavenger hunt answers to the "Participation Report" URL on the Green County 4-H Road Trip Challenge website.

- 1) What was your first impression of Yellowstone Lake State Park?
- 2) How big is Yellowstone Lake? How many acres?
- 3) What river sustains Yellowstone Lake?
- 4) Looking at the lake, why do you think it was named Yellowstone Lake?
- 5) What is the name of the 1-mile hiking trail dedicated to observing animals in their natural habitat? (*Hint: It goes past the lakeshore and wetlands on the west side of the property near the park office.*)
- 6) List *at least* three different signs of animal life that you observed while at the park.
- 7) What kind of trees would you say are *most prevalent* in the park: deciduous or coniferous? (*Hint: deciduous trees lose their leaves in the fall; coniferous trees are green year round.*)
- 8) Find something in the park with a weird texture. What is it? Why do think it's weird?
- 9) This park is known for its appeal to a large variety of bird species. Describe the largest bird that you observed during your visit. Do you know what kind of bird it was?

Optional

- 10) Where is the image to the right located at the park?

Complete the "Participation Report" for this scavenger hunt **no later than March 5.**
