*Green County Leaders 2020-2021: A Year of Adaptability*

## **Resiliency & Adaptability**

Wednesday, February 10, 2021

---

**Time:** 12pm -- 1:30pm

### **Zoom Connection:**

These meetings are held over Zoom. Registration is required ahead of time. Click [here](#) to register if you have not yet registered. After registering, you will receive a confirmation email containing information about joining the meeting.

### **Focus**

In this session, participants will explore adaptability, including how leaders manage during challenges and opportunities. The session will include:

- Building a deeper understanding of resiliency and adaptability at individual, team, and organizational levels.
- Updates on lessons learned on the ground by non-profits and educational organizations.
- Personal reflection and group discussion around adaptations that people, teams, and organizations have experienced.

### **Information for Participants & Participant Expectations**

- This will be an engaging, civil session.
- This session will be recorded and posted on [www.greencountyleaders.com](http://www.greencountyleaders.com) a week after the session takes place.

*Agenda on the next page.*

## Purpose of Green County Leaders

Green County Leaders (GCL) is an educational program where individuals practice leadership skills, deepen their understanding of community issues, and prepare for leadership roles. This creates a network of active and visionary individuals who leverage their experience and expertise to benefit their community and local community-based organizations.

*Green County Leaders provides equal opportunity in education and programming.*
