

Green County Leaders 2020-2021: A Year of Adaptability

Stewardship & Sustainability

12pm -- 1:30pm on Wednesday, March 10, 2021

Zoom Connection

These meetings are held over Zoom. Registration is required ahead of time. Click [here](#) to register if you have not yet registered. After registering, you will receive a confirmation email containing information about joining the meeting.

Focus

In this session participants will have an engaging opportunity to consider the impacts their decisions have on the world around them and learn more about what they can do to make a positive difference. This session will include:

- Reflections on the impact of the actions we each take;
- Empowerment in the decisions we make;
- Lessons from Green County Leader alumni on stewardship and sustainability in action; and
- Group discussion and reflections on applying lessons learned around stewardship and sustainability.

Information for Participants & Participant Expectations

- This will be an engaging session.
- Participants will go through the [Stewardship Footprint Calculator](#). Only each individual participant will see their own information/response on the Stewardship Footprint Calculator unless that participant decides to voluntarily share any information.

Purpose of Green County Leaders

Green County Leaders (GCL) is an educational program where individuals practice leadership skills, deepen their understanding of community issues, and prepare for leadership roles. This creates a network of active and visionary individuals who leverage their experience and expertise to benefit their community and local community-based organizations.

Green County Leaders provides equal opportunity in education and programming.
