 - Pre-Elementary: 0
 - Elementary: 2
 - Middle: 5
 - High: 2

Katie is helping develop a mentor program with other agencies and has reached out to the schools. She expects referrals to increase. The goals were previously set by Ellie Kone.'

Presentation:

Presentation from Brian Juchems of GSFE in Madison presented on keeping our schools safe and welcoming for LGBTQ+ students. PowerPoint will be made available.

Electing a new co-chair:

This was tabled until next month so that we have a more diverse membership represented. Krista and Jacob will reach out to schools to invite counselors since there has been a high turnover this past year. Stefani will send out a message to the group looking for self-nominations and to make sure individuals take the time to consider the position.

Matt mentioned that we should revisit our meeting time to be sure we are accommodating as many schedules as possible. Especially with many new members. He also made reference to thinking about how to incorporate youth into our group..

Treasurer's Report

- None Given

Reality Maze

- Work has been done over the summer months. In the process of going over the scenarios. With covid it is believed that we most likely will not be able to do it spring of 2022. We will start meeting after the G.U.P.P.Y. meetings to try and get more attendance.
