Extension
UNIVERSITY OF WISCONSIN-MADISON
GREEN COUNTY

An EEO/AA employer, University of Wisconsin-Madison Division of Extension provides equal opportunities in employment and programming, including Title VI, Title IX, the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act requirements

Brought to you by the UW-Madison Division of Extension, UW-Madison Nutrient and Pest Management Program, Pheasants Forever, and County Conservation Departments of Iowa, Grant, Green, and Lafayette Counties.

Get Your Fields Out of the Red

Increasing Profitability with Precision Cropping

Free webinar and field day!

Cropping low-yielding areas can be a waste of money—literally. With the high costs of inputs, areas like field borders, wet spots, or poor soils often don't turn a profit. Fortunately, today's technology is helping farmers to pin-point areas that consistently lose money, helping them to adjust practices to increase profitability and efficiency. As a bonus, converting these areas to perennial vegetation also results in better soil health, water quality, and wildlife habitat, and may qualify for a conservation payment.

Find out why and how to use precision cropping on your farm with this free webinar and field day!

During the webinar you'll learn about the basics of precision agriculture and hear from a farmer who has benefited from the process. At the field day you'll learn about equipment options, look at crop fields and their yield maps, and discuss how to get started.

Increasing Profitability with Precision Cropping

Webinar: Tuesday July 27, 2021 6-7pm

Field Day: Thursday, July 29, 2021 9am-11am
(near Livingston, WI)

Cost— FREE! Register by Monday July 26th at:

<https://go.wisc.edu/j68s30>

For more information, email

katherine.abbott@iowacounty.org

Brought to you by the UW-Madison Division of Extension, UW-Madison Nutrient and Pest Management Program, Pheasants Forever, and County Conservation Departments of Iows, Grant, Green, and Lafayette Counties.
