Extension
UNIVERSITY OF WISCONSIN-MADISON
GREEN COUNTY

An EEO/AA employer, University of Wisconsin-Madison Division of Extension provides equal opportunities in employment and programming, including Title VI, Title IX, the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act requirements

Farm Pulse Program, Make Sense of Financial Management

Friday, January 21st from 11am-noon

Submitted by Jackie McCarville, Extension Green County Ag Educator
Long-term success for a farm business begins with a strong financial foundation. Kevin Bernhardt, Extension Farm Management Specialist and Katie Wantoch, Extension Educator, Dunn County, will discuss the Farm Pulse Program, which provides a framework for informed decision-making; making sense of financial information, so you know where to start immediately. Participants are invited to enroll in the Farm Pulse Program to help you evaluate your farm business finances and take the pulse of your business and goals for the future. Other topics in the webinar include an overview of the financial model and the purpose and value of the basic financial statements: Balance Sheet, Income Statement and Statement of Cash Flow.

Diving Into Dairy Data Projects

Tuesday, January 25th from 1-2:30pm

Brief overview of the Dairy Brain project-a software being developed to provide status of their operation and herd health; Dairy Farm Data Ecosystems- a description of the value of data on farms and the Data Money Extension project past experiences. Some examples of applications and demonstrations will be included.

Focus on Forage: Optimizing Forage Production in WI

Wednesday, January 26th from 12:30-1:30pm

Silage Additives for Conventional and Alternative Forages: Cost & Benefits with Dr. Luiz Ferreratto, UW-Madison Extension Ruminant Nutrition Specialist

Disease and Mycotoxin Considerations when Making Corn Silage with Dr. Damon Smith, UW-Madison Extension Field Crop Pathology Specialist

Don't Gamble the Farm Away, Take Charge of Your Future Today!

Friday, January 28th from 11am-noon

The first step in problem solving is being aware that you have a problem. In the case of risk management, it involves choosing among alternatives that reduce the adverse financial effects of the uncertainties, such as weather, yield, price, government policy, global market, and other factors that can cause wide swings in farm income. In this webinar, Kevin Bernhardt, Extension Farm Management Specialist and Katie Wantoch, Extension Educator, Dunn County will discuss how to define risk and risk management, manage risks, and self analyze your own tolerance for risk. We will also highlight the process for developing a risk management plan for your farm business.

Monroe, WI 53566

Attention Farms:

This is a friendly reminder to keep all entrance/exit areas that accumulate with snow and ice cleaned out, salted and/or sanded. When technicians come to the farm, there is a lot of equipment to haul in and out for testing. We want to prevent any slip and fall situations. Thanks for all your help in this matter and be safe!

**GREEN COUNTY DHIA
Annual Membership Meeting**

**March 16th, 2022
12:00 Noon at the
AMERICAN LEGION
1627 12th Ave
Monroe, WI 53566**

*Please return the below reservation form for our lunch count by March 1st, 2022!
