- III. **Spring Cloverbud Workshop @ Fairgrounds (May 14th)**
 - a. The May 14 Cloverbud workshop at the fairgrounds is a go-ahead. Everyone but Bridget is available for that. We're looking to hold that at 10am.
 - b. Ellen urged committee members to start thinking about activities that they will be interested in leading. Ellen will follow-up with the committee via email, and schedule a follow up meeting if needed.
- IV. **Summer Workshop or Day Camp** - Generally this was a "no, we don't have capacity" from most committee members. If it's something that we move forward with we may need to call in some other Cloverbud project leaders or cavalry. Ellen will do some inquiring of other 4-H Cloverbud Leaders, to see if others have interest and capacity to organize a summer program/event. If so, Ellen may come back to the committee with a proposal for financial support.
- V. **Any other business**
- VI. **Adjourn**
