UNIVERSITY OF WISCONSIN-MADISON

ADULT COW BARN VENTILATION ASSESSMENT WORKSHOPS

Thursday, July 7 at Save Cows and United Dreams in Baraboo, WI

Thursday, July 28 at Larson Acres in Evansville, WI

Wednesday, August 24 at Rosy-Lane Holsteins in Watertown, WI

In collaboration with Dr. Jennifer Van Os from the Dept. of Animal and Dairy Sciences at UW-Madison, The Dairyland Initiative will be hosting 3 on-farm workshops to teach participants how to measure air speeds and ventilation rates in adult cow dairy barns. Registration will open in June. Follow us on social media or sign up for our email listserv at <https://thedairylandinitiative.vetmed.wisc.edu/> to receive information about how to register.

USDA Reminds Producers to File Crop Acreage Reports

Submitted By Teresa Zimmer, Executive Director, Green County Farm Service Agency

Agricultural producers who have not yet completed their 2022 crop acreage reports after spring planting should contact the Green County Farm Service Agency (FSA) before the applicable deadline.

Crop acreage reports document crops grown on a farm and the intended use. Filing an accurate and timely acreage report for all crops and land uses, including failed acreage and prevented planted acreage, can prevent the loss of benefits.

In Green County, July 15, 2022 is the deadline for all spring-seeded crops; including corn, soybeans, oats, alfalfa, hemp, perennial forages, pasture, forage seeding, and all CRP acreage. To file a crop acreage report, you will need to provide:

- Crop and crop type or variety.
- Intended use of the crop
- Number of acres of the crop
- Map with approximate boundaries for the crop.
- Planting date(s)
- Producer shares.
- Irrigation practice (s)
- Acreage prevented from planting, when applicable.
- Other information as required.

For questions, please contact the Green County FSA office at 608-325-4195 ext. 2 to schedule an appointment to complete your 2022 crop acreage report.

Farm Service Agency Now Accepting Nominations for County Committee Members

Submitted By Teresa Zimmer, Executive Director, Green County Farm Service Agency

The U.S. Department of Agriculture (USDA) Farm Service Agency (FSA) is now accepting nominations for County Committee members on June 15. FSA encourages all farmers and FSA program participants to take part in the County Committee election nomination process.

FSA's County Committees are a critical component of the day-to-day operations of FSA and allow grassroots input and local administration of federal farm programs. Committees are comprised of locally elected agricultural producers responsible for the fair and equitable administration of FSA farm programs in their counties. If elected, members become part of a local decision making and farm program delivery process.

In Green County, the County Committee is composed of three elected members from Local Administrative Areas (LAA). Each member serves a three-year term. One-third of the seats on these committees are open for election each year. For 2022, the election will be held in LAA 2 which includes Albany, Brooklyn, Decatur, Spring Grove and Sylvester Townships

County committees may have an appointed advisor to further represent the local interests of underserved farmers and ranchers. Underserved producers are beginning, women and other minority farmers and ranchers and landowners and/or operators who have limited resources.

All nomination forms for the 2022 election must be postmarked or received in the local USDA service center by August 1, 2022.

Interested producers should contact their local FSA office today to register and find out how to get involved in their county's election. To be considered, a producer must be registered and sign an FSA-699A nomination form. Additional information can be obtained by contacting the Green County FSA Office at 608-325-4195 ext. 2, or the office where their records are located.

Dairy Robotics Virtual Event

Submitted By Jackie McCarville, Extension Green County Dairy Educator

A banner for the Dairy Robotics Virtual Event. The background is a blurred image of a dairy farm with a red and white striped pole. The text is in a bold, teal, sans-serif font. The main title is 'DAIRY ROBOTICS VIRTUAL EVENT' and the dates are 'JUNE 1-23, 2022'.

DAIRY ROBOTICS VIRTUAL EVENT

JUNE 1-23, 2022

Celebrate June dairy month with a review of your operation's dairy robotics readiness. This unique virtual program is designed to fit a busy summer schedule, delivering the decision-making tools you'll need to know if your farm is ready to bring on dairy robots. The series will feature a live virtual kickoff event on June 1, on-demand virtual breakout sessions available June 1-23 and a live virtual closing event June 23.

You'll leave with a well-rounded guide to determine your farm's readiness to move into dairy robotics. Plus, additional resources and support to guide you through next steps.

Session Descriptions:

- Opening General Session (48 min)
- Establishing Goals (35 min)
- Financial Considerations (32 min)
- Management (64 min)
- Management II (31 min)
- Implementation Guidance (54 min)
- Implementation II (23 min)
- Implementation III (43 min)
- Leasing Financials (8 min)
- Operations and Support Panel (Live-Thursday, June 23rd 10:00am)
