Extension
UNIVERSITY OF WISCONSIN-MADISON
GREEN COUNTY

An EEO/AA employer, University of Wisconsin-Madison Division of Extension provides equal opportunities in employment and programming, including Title VI, Title IX, the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act requirements

UW-Extension moves to Regional Ag Educators

The University of Wisconsin-Division of Extension is moving to a Regional Agricultural Educators staffing model across the state. These positions will provide research-based education to dairy, livestock, and crop producers by assessing the needs of farmers in their region and design and deliver educational programming and services to meet those needs.

Dairy, Livestock and Crop production are the largest agricultural industries in the Southwest area of Wisconsin. The Regional Agriculture Educators have specializations in these areas and will offer their expertise to serve those industries and producers.

Regional Agriculture Educators will:

- Design and deliver educational meetings and field days in a four county region that includes: Grant, Green, Iowa and Lafayette Counties.
- Provide consultation on production challenges to farmers and agricultural consultants.
- Contribute to outreach opportunities on agricultural topics through: workshops, virtual trainings, symposiums, websites, social media, and publications.
- Collaborate with other educators and specialists across the state and region.
- Engage with Agriculture Extension Committees on progress and planning.

We are excited to announce that our region includes Grant, Green, Iowa, and Lafayette Counties and will be served by:

Dairy Educator— Jackie McCarville; **Livestock Educator**—Amanda Cauffman, and **Crops & Soils Educator**—Josh Kamps.
