Green County Leaders is an education program designed to help build community leadership. This is a great networking opportunity, as participants connect with leaders throughout Green County. Programs focus on building community leadership skills and raising awareness of community issues, including local government, healthcare, economic development, education, and more. Participants meet twice in September and then once a month from October through May.

For more information about Green County Leaders, contact Victoria Solomon at (608) 328-9440 or via email at victoria.solomon@wisc.edu.
