*Green County Leaders 2023 - 2024*
# Community Project Proposal Form

**Guidelines**

Please use this form to create your proposal. ***Submit your completed form to Victoria Solomon at*** [*Victoria.Solomon@wisc.edu*](mailto:Victoria.Solomon@wisc.edu) **by Wednesday, September 13, 2023**.

*Please note:*
- Your project will be reviewed by the GCL curriculum committee, which will be looking for project feasibility, concreteness, and timeline.
- You will hear from the GCL curriculum committee on regarding whether or not your project proposal is approved for consideration by the GCL class. Even if a proposed project is not selected this year, it does not mean this is not a great project, and it can be retained for future consideration.
- If approved for consideration by the GCL class, the project proposal will be shared with the class on Wednesday, September 27. You would be invited to join the class during the project consideration phase that afternoon. The class will meet in person.
- Project proposals may not necessarily be chosen by the GCL participants.

**Project Title** _____

**Collaborative Organization(s)**

_____

_____

_____

**Contact Person** _____

**Email** _____

**Phone** _____

*(Next Page)*

**Project proposal narrative and rationale.** Include the desired/anticipated project outcome, and how you see this having an impact on the health, economy, and environment of a community/communities in Green County.

**Project sustainability.** If this project is chosen by the GCl curriculum committee and the GCL class, how will the project be sustained after May, 2024 when the GCL project team graduates from the program?

**Anticipated project budget.** Include whether or not your organization is able to support or assist with the funding of this project. Also include the anticipated amount of budget needed fundraised, if applicable/known.
