

Green County Leaders 2023 - 2024
Open Doors Green County

The Open Doors Green County event offers free, behind-the-scenes tours of businesses to give the local community a deeper understanding of the hidden gems in their own backyard and showcase all that Green County has to offer in terms of goods and services. From charming farms to historic sites, from local food and beverage producers to non-profits making a difference, this event showcases the heart and soul of Green County. Whether you're a longtime resident or a curious visitor, there's something for everyone! We believe that understanding our community's assets brings us closer together. Let's celebrate what makes Green County special – its people, places, and traditions.

Mark your calendars for May 18th and 19th! You won't want to miss it! Grab a map on the Green County, WI Facebook page or at the Monroe Farmer's Market on the 18th and chart your adventure.

"Open Doors Green County is a great concept! It's always fun to get the "VIP tour" to see what's happening behind the scenes. Hopefully this is an event that can grow and continue into the future."
