Farmer Panel on Higher Fertility Success with Wisconsin Dairy Farmers March 18th 11am-noon

To help Wisconsin Dairy Farmers, Veterinarians, & Dairy Consultants to get the most current and up to date research information, the UW-Extension Dairy program is having a live producer panel. This panel will be moderated by Dr. Paul Fricke.

Joining him to share their strategies to achieve superior reproductive efficiencies on farm are David Jauquet, Mike Martin, **Jeff McNeely** and Chuck Ripp. These producers will give highlights of their protocols used on their dairies.

This will be an interactive format where questions are encouraged to be asked to these dairy producers. Dr. Fricke will also include his experience and ask pointed questions to the panel. This virtual panel discussion is one you don't want to miss!

Pre-registration is required at: go.wisc.edu/badgerdairy

I'm a farmer too workshop March 20th

Women are a key aspect of the agriculture industry and are responsible for many facets of the farm. This program is geared toward women and the many hats they wear in the agricultural industry. Topics for the day center around exploring diversified revenue streams, such as agritourism and locally grown product marketing.

Participants will also be completing a couple craft projects while they learn. Craft projects include beeswax candle making and a dried flower craft. There will also be door prizes.

The event will be hosted on March 20th at the Iowa County Fairgrounds, 900 Fair St. Mineral Point. RSVP by March 13th by calling the Lafayette County UW Extension Office, 608-776-4820. The cost of the program is \$25 and covers materials, lunch, and craft supplies. Checks can be made payable to UW-Extension. RSVP and registration fee is required a week before the program date.
