UNIVERSITY OF WISCONSIN-MADISON
GREEN COUNTY

The University of Wisconsin-Madison Division of Extension provides equal opportunities in employment and programming in compliance with state and federal law.

Farm Lease Workshop

The University of Wisconsin-Madison Division of Extension will host agricultural leasing seminars across the state in October.

These seminars are offered to address questions that landowners, tenants, or other interested individuals have about leasing farmland, including:

- Setting a rental rate,
- Land management considerations,
- Legal risks associated with leases,
- Strategies for effective communication with tenants and landowners,
- Terminating an agricultural lease, and
- Miscellaneous topics in agricultural leasing.

"More than one-third of Wisconsin's farmland is rented, and strong landowner/tenant relationships are important for the long-term viability of Wisconsin's valuable farmland," said Kelly Wilfert, attorney and Farm Law Outreach Specialist with Extension. "Every agreement is unique, and attending a workshop is a great way to learn more or ask questions on specific aspects of farm lease arrangements."

The program will be held in: **Dodgeville, Wisconsin:** October 9, 2025, 10 am - Noon, Extension Iowa County, 303 W Chapel St, Dodgeville, WI 53533

Each registered participant will receive a free copy of the Wisconsin Guide to Farmland Leasing, a new guide that covers legal issues, designing lease payment structures and calculating payments, and leasing as part of a farm succession plan, as well as sample lease forms for negotiating lease agreements.

Registration is \$25 per individual, which includes workshop materials. To register, visit <https://uwmadison.eventsair.com/farmleasing25/farmleasing/Site/Register>.

For more information, contact Kelly Wilfert at kelly.wilfert@wisc.edu or (608) 263-5798.
