

Colony Brands Mini Grant Application Form

Thanks to a very generous donation from Colony Brands and their employees as part of their Associate Donation Program, the Green County 4-H Adult Leaders Association is happy to offer two mini-grant opportunities.

- **4-H Club Mini Grants** - Each 4-H club can request once annually funding equaling **\$4 per enrolled member (5K-13)**. The club must provide a description of how they will use the funds to **increase member engagement** (i.e. recreation, community service, hands-on activities, refreshments). Please work with youth in planning these program opportunities. Once grant requests are approved, funds will be transferred to the club for use in alignment with the grant request.
- **4-H Project Mini Grants** - 4-H project leaders and committees can once annually request funding (\$50-\$200) to cover expenses for a countywide 4-H project learning experience. The project leader must provide a description of how the funds will be used to help youth **explore or learn more about a project** area (purchase supplies, hire a guest speaker, rent a space, etc.). Adult leaders are encouraged to work with youth leaders and project members to plan these program opportunities. Approved funding requests from county level 4-H Project Committees will have funds transferred to the specific project line item. Approved funding requests from individual 4-H Project Leaders will be paid out upon submission of receipts.

Grant Request Type (please check one)

Amount Requested

☐ Club Mini Grant

☐ Project Mini Grant

\$ _____

Club/Project Leader Submitting Request: _____

Youth involved in Program Planning related to this request: _____

Description of how funding will be used. Please be as specific as possible and make sure it aligns with the purposes identified in the grant description above. _____

Grant requests will be reviewed monthly and considered for approval by the 4-H Adult & Junior Leaders Executive Board (meets the first Monday of most months).

The University of Wisconsin–Madison Division of Extension provides equal opportunities in employment and programming in compliance with state and federal law.
