

# Winter Forage Meeting

March 5, 2026 | 10:30 AM – 2:00 PM

Lafayette County Multipurpose Building  
11974 Ames Road, Darlington WI

**FREE  
EVENT!**

Join Extension for a meeting focused on forage, silage, and everything related. Learn how to evaluate forage quality based on a variety of indicating metrics, about silage hygiene, fungal diseases in corn, and feed inventory considerations. This meeting will cover a variety of topics, all designed to deepen your understanding of forages on your operation.
